

**Can you name these dinosaurs?**

**Do you know when they were alive?**

**Do you know what they consumed?**

**Were they predators or prey?**

# Dinosaur Jigsaw

1. You will work **collaboratively** with two students to create a poster of a period from the Mesozoic Era.
2. The poster must include the following information:
  - the Era
  - the Period (Triassic, Jurassic or Cretaceous)
  - four types of dinosaurs from the period  
(representative of carnivores, herbivores and omnivores)
  - examples of two types of plants from the period
3. You must label the plants and dinosaurs and tell whether they are producers or consumers, herbivores, carnivores, or omnivores.
4. **Bold** important words.

## ***EXTENSION IDEAS:***

1. Add reptiles, insects or mammals to your poster.
2. Add a glossary with these words: carnivore, herbivore, omnivore, producer, consumer, Mesozoic Era and Periods (Triassic, Jurassic, or Cretaceous).

# **EXPECTATIONS:**

1. Work cooperatively.
2. Be courteous and respectful.
3. Respect everyone's input.
4. Be proactive in your learning.
5. Contribute to your team.
6. As a team, you will present your poster to your classmates.

# **Materials**

- 1. Assortment of dinosaur books**
- 2. A computer with internet access**
- 3. One poster board**
- 4. Crayons, markers, color pencils, pencils and rulers**
