Learn at Home with PBS KIDS

**Week beginning:
September 14th**

Hello, Families!

Welcome to "Learn Along" Bingo! We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With "Learn Along" Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's My Family and Me Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: "Building Self-Esteem"

This week, we're learning how to respect ourselves and be proud of all the things we can do. Building self-esteem is an important skill that helps us feel confident and ready to learn.

Show What You Know: All About Me Book

The last activity in this packet is a perfect way for children to show what they've learned about building self-esteem with a grown-up.

Tune-in: Watch MOLLY OF DENALI at 2:30pm EDT on Tuesday, September 15th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
