Sharing Your Creativity BINGO

Learn at Home with PBS KIDS

**Week of
December 14th**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Sharing Your Creativity Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Making and Experiencing Music and Movement

This week, we're learning about how making and experiencing music and movement helps us express ourselves, alone or with others.

Show What You Know: Make an Instrument Activity

The last activity in this packet is a perfect way for children to make an instrument and create their own songs.

Tune in: Watch PINKALICIOUS AND PETERRIFIC at 3pm ET on Tuesday, December 15th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!

MAKIN' TRACKS WITH PLAY DOUGH!

DIFFICULTY: EASY

When you walk in wet sand, snow or mud, you leave behind a footprint. Animals do, too! We call those prints, "tracks." Next time you're exploring, look for tracks on the ground!

You can also make your own tracks to compare with friends, your pet, or one of the Nature Cat gang! Using play dough, make YOUR nature tracks to create an artistic masterpiece!

MATERIALS

-  Play dough
-  Rolling pin
-  Washable paint and paintbrush (optional)

CAPTURE YOUR TRACKS

- 1 Make two balls with your dough.
- 2 Roll out each dough ball on a flat surface until it is a little bit bigger than your foot.
- 3 Ready? Press your hand into one piece of the dough.
- 4 Now repeat with a foot (or a patient pet.)
- 5 Let it dry and add some color with paint!

Make Your Own Instrument!

1 Cut along the dotted line.

2 Roll the paper into a cylinder and staple one end shut. Fill the shaker full of beans, pasta, or gravel. Hold the shaker by the base (the stapled end). Pinch and staple the center of the top so that the crease goes in the opposite direction from the base.

3 Finish the shaker by making sure both ends are stapled shut.
