Learn at Home with PBS KIDS

**Week of
October 12th**

Hello, Families!

Welcome to "**Learn Along**" Bingo! We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With "Learn Along" Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Being Kind Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: "Sharing Positive Interactions"

This week, we're learning how to share positive interactions with others. Positive interactions means talking and doing things with other people in kind ways.

Show What You Know: Be the Agent

The last activity in this packet is a perfect way for children to show what they've learned about sharing positive interactions with a grown up.

Tune in: Watch ARTHUR at 1pm EDT on Tuesday, October 13th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!

In "My Dad, My Teacher", Becky and Kid Potato both feel a little frustrated by their parents. There may be moments when you feel this way too. Sometimes it helps to write a letter. We've suggested some words you can use to fill in the blanks so that you can write someone in your family a message to tell them how much you appreciate them. Then write your name at the bottom of the letter and give it to someone who's important to you.
