BINGO

Learn at Home with PBS KIDS

**Week of
January 11th**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Act It Out Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Dramatic Play

This week, we're learning that dramatic play is important because we it helps us to develop language and communication skills as we learn about the world and those in it.

Show What You Know: The Amazing Clubhouse

The last activity in this packet is a perfect way for children to explore their imagination using a scene and puppets.

Tune in: Watch CLIFFORD THE BIG RED DOG at 9:30am on Tuesday, January 12th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
