Learn at Home with PBS KIDS

**Week of
September 28th**

Hello, Families!

Welcome to **"Learn Along" Bingo**! We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With "Learn Along" Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Caring for Each Other Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: "Being a Good Citizen"

This week, we're learning how to be a good citizen and give back to the earth. Being a good citizen means taking care of ourselves and the earth.

Show What You Know: What Are the Traits of a Great Hero?

The last activity in this packet is a perfect way for children to show what they've learned about being a good citizen with a grown-up.

Tune in: Watch XAVIER RIDDLE AND THE SECRET MUSEUM at 7pm EDT on Tuesday, September 29th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
