Family Game Time

Print this page twice to play a simple matching game. Cut along the lines on the page to make individual cards. Shuffle the cards. Place each one face down. The first player turns over two cards. Talk about the characters and the objects. If the cards match, the player keeps the cards. If they don't match, they turn them upside down again. Place them in the same spot. The next player takes a turn. The game is over when players have matched all of the cards.

Learn at Home with PBS KIDS

**Week of
September 14th**

Hello, Families!

Welcome to **"Learn Along" Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With "Learn Along" Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's My Family and Me Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: "Building Self-Esteem"

This week, we're learning how to respect ourselves and be proud of all the things we can do. Building self-esteem is an important skill that helps us feel confident and ready to learn.

Show What You Know: All About Me

The last activity in this packet is a perfect way for children to show what they've learned about building self-esteem with a grown-up.

Tune-in: Watch DANIEL TIGER'S NEIGHBORHOOD at 4:30pm EDT on Tuesday, September 15th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
